# The Gathering Place in Renaissance Park

The Gathering Place has been completed, but there is still room for many more inscribed bricks. The SRHC hopes to create a sculpture at the lower end of Renaissance Park by using pieces of the 1891 Phoenix Column bridge that the SRHC owns. If you haven't yet purchased an inscribed brick, please make use of the form on the back of this page. Help the SRHC use this piece from the past in a unique, aesthetic way.
