As the redbuds begin to bloom and spring peepers call, please join SRHC board member **Jolie Chylack** for an evening nature talk. She will teach techniques for appreciating all the fantastic natural wonders waiting to be discovered within our watershed. She will also walk us through an innovative journaling method that allows participants to capture natural wonders in one's very own sketchbook!

The Art of Walking & Field Journaling in the Schuylkill Watershed Thursday, April 10th at 7:30 PM

This event will be held at the Foundry, located at 2 Main St. in Phoenixville.
Admission is free for SRHC Members. \$5.00 for Non-Members.
No Registration is required.

Below are some examples of Jolie's creative journaling work.
